

OHTA KANPO ICHOYAKU II

【Features】

1. *Efficacious on nervous gastritis and gastric atonia*

OHTA KANPO ICHOYAKU II takes excellent effect on nervous gastritis and gastric atonia which usually attack those who suffer from serious stress through the pressure of work or those who are nervous and get tired easily.

Poria Sclerotium has tranquilizing effect and is quite efficacious on nervous gastritis, interacting with other ingredients such as Cinnamon bark, Amomum seed, Alpinia officinarum Rhizome, Fennel and Oyster shell.

2. *Powerful effect on chronic gastritis*

OHTA KANPO ICHOYAKU II exerts excellent effect on the following symptoms which are caused by chronic gastritis: usual feeling of stomach weakness, lost appetite and frequent gastrointestinal pain.

On chronic gastritis with stomach pain work Corydalis Tuber, Alpinia officinarum Rhizome, Glycyrrhiza and Oyster shell. Similarly, on chronic gastritis with lost appetite, heartburn, belch and nausea operate Amomum seed, Fennel, Cinnamon bark and Alpinia officinarum Rhizome.

3. *Easily to take*

OHTA KANPO ICHOYAKU II is powder dosage, which dissolves immediately and is easily to take. It is due to control the evaporation of essential oil contained in crude drugs and avoids an unnecessary process as much as possible.
